ADRIAN VELAZQUEZ

/ Front-End / Dynamic Ad / Creative Web Developer

PROFILE

Front-End / Creative Web Developer with 11+ years of experience hand-coding HTML5 animated banner ads with GSAP (GreenSock) for Fortune 500 brands at agencies including Droga5, Merkley + Partners, and Omnicom Production. Expanded into programmatic, Dynamic Creative Optimization (DCO), and Digital Out-of-Home (DOOH) ad development. Builds React applications and data-driven dashboards using Vite, Tailwind CSS, shadcn/ui, and GSAP (useGSAP). Experienced in high-volume, deadline-driven production and quick to adopt new tools and workflows. Brings hands-on Shopify e-commerce and small business experience, connecting creative, technology, and business objectives to deliver polished, high-performing digital experiences from concept to launch.
