ADRIAN VELAZQUEZ

/ Front-End / Dynamic Ad / Creative Web Developer / Ad Tech Solutions

PROFILE

Front-End / Creative Web Developer with 11+ years of ad tech experience hand-coding HTML5 animated banner ads with GSAP (GreenSock) for Fortune 500 brands at agencies including Droga5, Merkley + Partners, and Omnicom Production. Expanded into programmatic, Dynamic Creative Optimization (DCO), and Digital Out-of-Home (DOOH) ad development. Works with producers, account teams, and clients to turn campaign requirements into on-spec ads, handling troubleshooting, clickTag setup, tracking pixels, and cross-browser QA. Built a banner review platform with version tracking, approval status, and delivery files, plus a live-data DOOH template with fallback handling. Experienced in high-volume, deadline-driven production and quick to adopt new tools and workflows. Builds React applications with Vite, Tailwind CSS, and GSAP. Brings Shopify e-commerce and small business experience. Targeting Creative Developer, Associate Technical Account Ops, Creative Solutions, and Associate Technical Ad Producer, Associate Ad Operations roles.
